AUTISM ALERT CARD AND PASSPORT SCHEME

An Autism Alert Card and Passport scheme, has been introduced across London, as a result of a collaboration between the Metropolitan Police Service, City of London Police and British Transport Police.

It has been developed following extensive consultations with individuals with autism and their parents, the National Autistic Society, Autism Partnership Boards, and supported by the National Police Autism Association.

The cards will alert officers to the fact that the individual may have difficulty with communication and exhibit unusual or unpredictable behaviour. In turn, officers will be able to make appropriate and reasonable adjustments and interact with the individual appropriately.

The larger passports will include the same information and can be carried in bags or rucksacks for the individual to produce when required.

To receive your own card & passport, please send your full postal address in an email to:

Autism@met.police.uk

This information will soon be available on the **Enfield Local Offer**.

SUPPORTER REQUEST!

We believe that small local charities, like us, provide better, tailored services and keep the personal touch which is extremely important in terms of local community and trust. Your support would make a **massive difference** to the lives of many Enfield residents.

What your donation could buy:

£350 pays for one child accessing the Starfish project for 6 weeks

£16 pays for a DBS check to allow a volunteer to be trained to support young people

£50 will pay for us to train a mentor to support a child for a month

£250 pays for 10 counselling sessions for a child or family

What our families say about EPC:

"The project made me feel that I am capable of a variety of things. I have the ability to express myself and I can communicate with new people"

"Thank you for bringing me the strength to keep going and always being so reliable."

"EPC takes care of your family as a whole they answer your questions unlike every other place. At EPC they listen to you rather than just cut you off which is something that shouldn't be underestimated it's hard enough to keep up with what's happening to the Child and their appointments, how the Family life is always changing around the special Child"

"This charity who helped my son with getting his EHCP are the most helpful people you will ever meet - they are there 24/7 - even when they are off sick- they are truly people who care."

Any support, no matter how small, will go a long way to help us to carry out our services, so that together we will build a better, stronger and happier community in Enfield.

GIFT AID DECLARATION

Gift Aid is one of the simplest and most effective ways of giving to charity. Gift Aid is a scheme administered by the Inland Revenue which allows us to claim 25p for every £1 that you donate. So, for example, if you donate £20 we can claim an extra £5, making your gift worth £25.

Alternatively, you can send a cheque or alternative donations to Every Parent & Child, Community House, 311 Fore Street, London, N9 0PZ.
